

Flu Shots - 2019

- Only for patients of East Wellington Family Health Team (by appointment)
- Please call for appointment or [email us](#) to book your flu shot
- Public Health and local pharmacies also give flu shots
 - Please advise our office if you have received your flu shot somewhere else so we can update your health records
- There are two flu vaccines being distributed by Public Health
 - one for 6 months of age and older and one high dose vaccine for 65 yrs old and over
- FLUMIST IS NOT AVAILABLE IN CANADA THIS YEAR
- Must complete a consent form and screening questionnaire
- Must wait 15 minutes after flu shot to ensure no adverse reaction
- Our dates don't work for you? Try [Public Health](#) or your local pharmacy!
Don't forget to let us know!
